The Open-wheel Racing Car Club was formed in 2002, (originally as the ELF Car Club) to:

- foster open-wheel circuit racing in South Australia,
- to bring about the introduction of the Formula Vee 1600 race car category in the State, and
- to serve as a focus group for other open-wheel categories including Formula Ford.

ORCC is a dynamic, go ahead club that highly values input from its members.

The club grew to a membership of over 50 in less than two years and it has continued to flourish with over twenty competition drivers in various race categories.

ORCC has actively encouraged the construction and acquisition of new cars, and we have several father-son teams working together on race car construction projects.

If you have an interest in motor racing technical, social or competitive ...

The Open-wheel Racing Car Club is for YOU!

The club has the support of the prestigious Tower Hotel, in Magill Road, Magill and the general meetings of the club are held in the Function Room of the Tower Hotel at 7.30 pm on the 3rd Wednesday of every month.

This is a great venue offering excellent value Bistro meals for those that wish to join us for a pre-meeting meal and motor sport chat. Our meetings are informal, friendly get-togethers where all members chat about their race programs and construction/maintenance projects.

Our subscriptions are very reasonable with no joining fee and just \$40 a year plus a \$15 surcharge for competition drivers.

To join, simply complete the Membership Application Form below and mail to our Secretary.
